

### REMARKS

Upon reviewing the Notice of Allowance and Issue Fee Transmittal mailed on November 8, 2004 from the Patent Office for the above-identified case, undersigned discovered that this application was originally filed with applicants' middle initials omitted and wherein such omission was *through clerical error* and such error arose *without any deceptive intent*.

Therefore, undersigned respectfully requests that this amendment be favorably received and that the Letters Patent issue in the Full names of **Scott T. Williams** and **Alan T. Schachtely** and not "Scott Williams" and "Alan Schachtely".

In support of this request, undersigned has attached hereto an executed Supplemental Declaration under 37 C.F.R. 1.63 signed by **Scott T. Williams** and **Alan T. Schachtely**.

No new inventor has been added or deleted to this application, no new matter has been entered, and the nature of the proposed amendment clearly does not require an additional search or examination. Thus, it is respectfully submitted that the proposed amendments comply with 37 C.F.R. §1.312. Additionally, it is believed that no fees are due with respect to the filing of this amendment. However, should any fees now be due, an authorization to charge deposit account is included herewith.

Alternatively, should the Commissioner deem this issue a matter that should be rectified by way of a Petition, rather than by this proposed amendment, undersigned has appended hereto a Petition under 37 CFR §1.182 to Correct the Names of Applicants by clearly delineating the facts involved, the points to be reviewed and the relief sought from the Commissioner.

In the event the Issue Branch has any questions regarding this amendment after notice of allowance under 37 CFR §1.312, it is respectfully requested that undersigned be telephoned to expeditiously resolve any remaining issues.
